**To Our Patients.....**

The Camp Lowell Surgery Center is a state of the art surgery center committed to providing patients with excellent care and the highest level of patient satisfaction.

The Camp Lowell Surgery Center is the only multi-specialty surgery center in Tucson that is wholly owned by physicians. Not all of the physicians credentialed with this center are physician owners. It is required in the State of Arizona that we inform you that **J. David Gibeault, M. D.** has a financial interest in Camp Lowell Surgery Center. If for some reason you do not want your surgery performed at Camp Lowell Surgery Center, please inform Dr. Gibeault and we will schedule your surgery at another facility, as time and schedules permit.

I acknowledge the above and agree to have my surgery scheduled at Camp Lowell Surgery Center.
